What is a CAR Workshop, you might ask?

- CAR Stands for Conference Agenda Report.
- The CAR contains motions and discussion topics that will be presented at the World Service Conference (WSC) in April of this year.
- Discussion and vote tallies collected at CAR Workshop, throughout the Region, will provide direction to the Hawaii Regional Delegates for use at the WSC.
- This is how group conscience is collected and applied for worldwide NA decision-making.
- Groups can send their GSRs to the Workshop with your group's conscience or to participate on the Group's behalf.
- The CAR is not just for GSRs; individual members are welcome and encouraged to participate.
