Following the Breakfast Meeting

What is a CAR Workshop, you might ask?

- CAR Stands for Conference Agenda Report.
- The CAR contains motions and discussion topics that will be presented at the World Service Conference (WSC) in April.
- Discussion and vote tallies collected at CAR Workshop, throughout the Region, will provide direction to the Hawaii Regional Delegate and RD Alt for use at the WSC.
- This is how group conscience is collected and applied to world-wide NA decision making.
- Groups—send your GSRs to the Workshop with your group's conscience.
- Not just for GSRs; individual members are welcome and encouraged to participate.
